

## Another Success Story!

### **FC Capital United Soccer Club**

Family Day – Free Soccer Clinics  
February 16<sup>TH</sup> 2009 – LRD

We would like to extend our sincere thanks to all of the young aspiring athletes, their parents our dedicated club coaches, our volunteer youth coaches and registration volunteers who participated in the “Family Day Event – Free Soccer Clinics” held at the Louis Riel Dome this past Monday.

For the past two years, we have delivered this unique soccer clinic to the community. We are proud that the Louis Riel Dome, who is a solid sponsor of our Mini World Cup Tournament Series continues to support our efforts to promote the beautiful game known as soccer.

In keeping with “giving back to the community”, we asked that everyone who planned to attend consider bringing a non-perishable item as a donation to the Gloucester Emergency Food. We collected enough food to feed approximately 20 families in our community.

Family Day 2009
