Field of Dreams Project – 2009 Update

The Mini World Cup Tournament Series/FC Capital United Soccer Club has earned the title of "Official Soccer Ambassadors to Africa through the Bicycles for Humanity - Ottawa Chapter" as a result of our ongoing efforts in collecting gently used soccer equipment. The most cherished items include jerseys; shorts; shin pads; soccer balls and soccer socks. We ensure that young aspiring athletes in Africa receive these items.

I would like to extend our sincere thanks to everyone who was kind enough to drop off their donation of gently used soccer equipment during our Mini World Cup Tournament - Confederations Cup 2009 Edition. The success of this initiative belongs to all of us, as we were able to collect enough items for 180 children!

Upcoming Soccer Round-Up – Fall 2009

It is our sincere hope that your soccer club or individual team will continue to be inspired by the Field of Dreams Project and participate in our upcoming “*soccer equipment round-up*” at the end of the 2009 soccer season.

Please email us at either of the email addresses listed below to make arrangements for your donations:
