On behalf of the entire Organizing Committee of the Mini World Cup 2010 – World Cup Edition we wish to extend our sincere thanks to all Club volunteers who contributed to the success of this year’s event!

Our volunteers included players; parents; siblings; coaches; and family friends. To all of you, we remain grateful for your support.

As a result of all of our efforts we have once again generated a tremendous amount of positive feedback including glowing compliments from His Excellency, the South African High Commissioner Dr. Nkomo, our Sponsors as well as the general soccer community.

The compliments just keep pouring in. Here are just a few of the testimonials we have received.

Erik Vreeken / Cataraqi Clippers (Switzerland)

I mentioned to the adult that was coordinating the lineman's that the tournament was great. In fact the first words out of our son's mouth on Monday were "Dad, that was the greatest tournament ever!"

Peg Marchessault/Russell Raiders/Australia

"I know I'm from another club but if you need help next year, I would really like the opportunity to work with you as a volunteer."

Domenic Casciano/Niagara Falls Titans/Italy

Wow, class act. That's all I can say!

Rich Suchan - Head Coach/ Darlington U11 Boys/France

"You represented your club fabulously. The tournament is very well run, your preparation and attention to detail was very evident. Our boys had a great weekend. Opening ceremonies were terrific and all of our families were impressed".

As you can see from reading these wonderful comments, our Mini World Cup Tournament Series does speak to the hearts of coaches; athletes; parents; and volunteers!

Mark your calendars for the Mini World Cup Tournament - June 4th and June 5th, 2011. The world arrives once again at the Millenium Fields to celebrate the beautiful game!

It is our sincere hope that we see you all again next year!

Yours in the spirit of soccer,

2010 Organizing Committee
